This beautiful home will not disappoint.

This modern three-bedroom home offers a split-level design the top level has a large and spacious open-plan living and dining which is heated by a heat pump, chef's kitchen with stainless steel appliances, and granite benchtops.

As you head out of the kitchen to the lower level you will find three good-sized bedrooms all with built-ins, a spacious bathroom with a separate bath and shower, laundry, and a separate toilet.
