

195 Lamprill Circle Herdsmans Cove TAS

2 1 1

This cozy two-bedroom house is perfect for first-time buyers looking to dip their toes into the world of homeownership without breaking the bank.

Step inside, and you'll find an open-plan living area that's just begging for your personal touch. Whether you're a budding interior designer or someone who thinks "feng shui" is a type of sushi, this space is your canvas. Paint the walls, arrange your furniture, or leave it as-is - the choice is yours!

The primary bedroom is spacious enough to fit your entire life. The second bedroom is perfect for a guest room, home office, or a shrine to your favorite boy band (no judgment here).
