

233 Redwood Road Kingston TAS

3 1 2

An ideal purchasing choice for first home buyers, downsizers and investors, 233 Redwood road is a well positioned three bedroom family haven nestled in a popular and leafy setting.

Step inside and be greeted by timber floors that flow throughout, enhancing the warmth and character of the home. The inviting living areas showcase four bay windows that maximize light, creating a bright and airy atmosphere. A blank canvas awaits, with plenty of scope to add your own decorating ideas, colour and design touches.

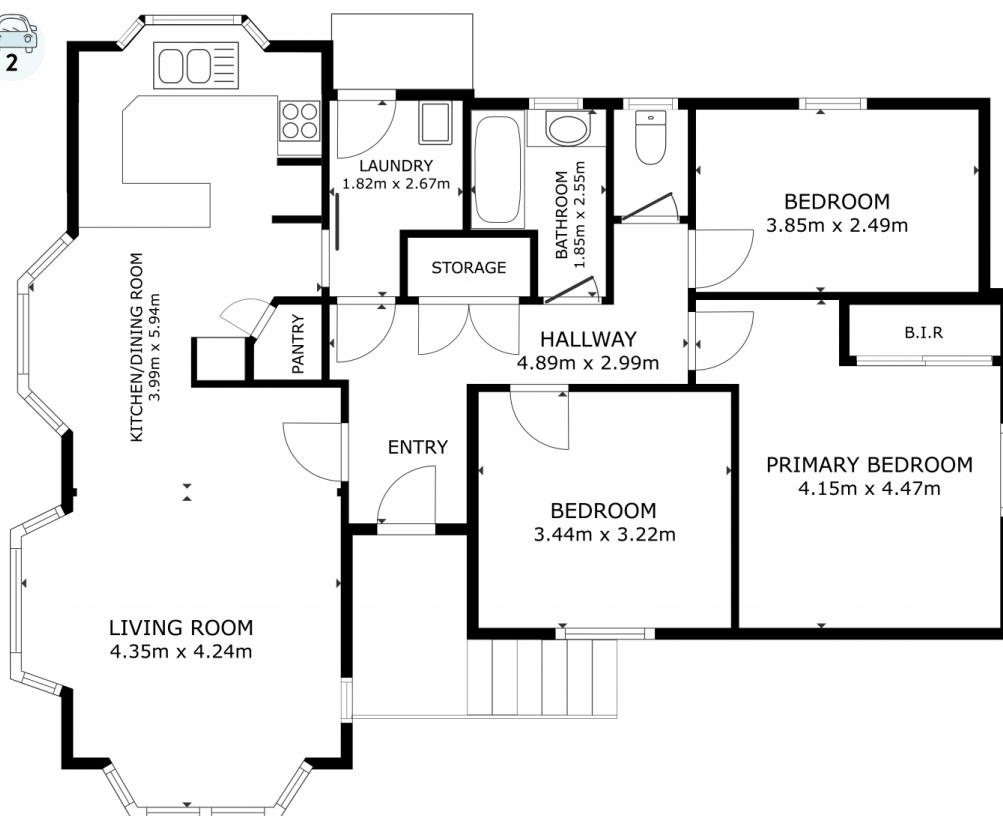

The practical U-shaped kitchen is designed for ease of use, equipped with ample cupboard space, gas cooking, and an extra-large pantry to cater to all your culinary needs.
